How-To: Send money with *Interac* e-Transfer

How do you send money with *Interac* e-Transfer? You and the recipient each need your own:

- Account with a participating bank or credit union
- Active email address or mobile phone number

To send, follow the easy-to-use instructions on screen:

1. Log into your online or mobile banking app and select the account.
2. Choose or add your recipient's email or mobile number.
3. Enter the amount and a security question (no need if the recipient has registered for *Interac* e-Transfer® Autodeposit). New Hope has registered for autodeposit so no need for security question.
